Dear Mrs Steadman

Many thanks to you and all at Corsham Church for donating the proceeds of your carol service – a fantastic £662.42! Please pass on our grateful thanks to all who were involved in raising this amount. I am sure that the service itself was a wonderful and memorable occasion for the congregation. Our thanks go to you all for your generosity.

Your donations really will help to make such a difference to the work that Leonard Cheshire can do, in particular at the Mongu Cheshire Home in Zambia. I will ensure that your donation is transferred to the home, where I know it will be most gratefully received.

As you may know, Leonard Cheshire provides a wide range of services to thousands of disabled people in the UK and overseas. Services in the UK range from rehabilitation to residential care, independent living units to care at home, and innovative IT facilities and employment training to campaigning for the rights of disabled people and raising awareness of the issues affecting them.

Internationally, Leonard Cheshire works in 57 countries, supporting at least 60,000 disabled people annually, of which nearly 80% are children. Overseas projects include our economic empowerment schemes, where disabled people receive training to enable them to find jobs and set up their own businesses, and initiatives that tackle exclusion, such as enabling disabled children in poor countries to access education.

In all areas the charity continues with the key aims of its founder, Group Captain Leonard Cheshire, to be committed to independence, personal choice and improving the quality of life of disabled people.

Thank you once again for your support, and if I can be of any further assistance please do not hesitate to contact me.

With very best wishes,

Rebecca Thomas
